SIR,

In forwarding herewith copy of letter No 6487 / 07A.94 dated 9/11 May 1905, from the Comptroller, I have the honour to state that the Police Stores were audited last year by an outside Auditor deputed by the Comptroller.

As it is desirable to have the accounts examined annually, I requested the Comptroller to send an Auditor this year as was done last year.

The Comptroller in his letter referred to above, states that no special establishment is maintained in his office for this purpose, and that no Auditor can therefore be sent, unless Government specially orders the audit, as it did last year.

The Superintendent of the Kolar Gold Fields also has requested that his office accounts may be audited.

As a periodical examining of accounts is absolutely necessary, in the Chief Office, as also in the office of the Superintendent, Kolar Gold Fields, I request that You will kindly move the Government to order the audit of accounts annually, at the close of the official year, by an Auditor from the Comptroller's Office.

11 Jun 28-6-05

SIR,

I have the honor to acknowledge the receipt of your No.J3635 Pol:180-2 dated June '05 observing that in the opinion of the Government the annual audit of the accounts of the Head Quarter Police office and of the Kolar Gold Fields Superintendent's Office, proposed by the Inspector General of Police, is very desirable and enquiring whether I can arrange for their audit. In reply, I have the honour to state that if Government order that the audit should be taken up, it must be done, but the difficulty is that there are at present only two auditors attached to the Outside Audit Establishment of this office and both of them are engaged in auditing the accounts of the Imperial Service Regiment, the early audit of which was ordered by Government in their Proceedings (Military) No. 3283-5/119 dated 4th april 1905 and urged by the Chief Commandant more than once in view of the retirement of the Commandant in charge of the Regiment.

2. At the time the Outside Audit Department was constituted the annual audit of the marginally noted accounts appears to have been contemplated as is evident from the provision made therefor in my office Manual compiled by Mr.Biddulph. Since then the audit

audit of the following accounts were, as a special case, ordered by Government from time to time and this office was obliged to employ the auditors, on these works suspending the regular work of the Department.

Imperial Service Regiment.
Police Stores.
Victoria Hospital.
Senior Surgeon's Office.
Local Service Regiment.
Geological Office.

More recently, Government have ordered the audit of the accounts of the Senior Surgeon's Office once again and of the accounts of the Local Service Regiment once in six months until further orders, as also the early audit of the accounts of the Infantry Regiment. With the present limited establishment it is hardly possible to undertake all or any of the above in addition to the routine work.

The original enclosures received are herewith returned.
